

Solder Paste Fridge

QUICK INFO

Our Quiet under-bench front venting glass door fridge, featuring a heated glass door to prevent condensation, a right-hinged door with lock, and a quality ECO electronic controller for reliable operation. Customise your interior ambiance with a switchable LED light, available in blue or white, complemented by three full 'soft' strips for optimal visibility.

For added versatility, a stainless door frame option is also available. Temperature settings range from 0 to 18 degrees Celsius, with the option to narrow the internal temperature variance from the standard 4 degrees Celsius to 3 degrees Celsius. However, caution is advised not to set the temperature below 3 degrees Celsius to prevent freezing.

PARTS AND ENERGY INFO

- R600 100% ozone safe gas
